Earthquake insurance that is fast and easy.

1. You will need to have your homeowners insurance policy available so you can easily provide your Coverage A Dwelling Limit (or Coverage C for Condo) from your current homeowners insurance policy.

2. Then, you will review your earthquake quote options.

3. You can also review and edit property details as needed.

4. Purchase earthquake coverage today, and be covered tomorrow.

Financial Strength Rating

Where do I find my Homeowners Insurance Policy Coverage A Dwelling Limit?
You can locate the Coverage A Dwelling Limit on your current homeowners insurance policy. This is the amount that your homeowners insurance carrier or agent has determined as an acceptable amount to rebuild your home in the event of a total loss. It is listed on the homeowners insurance policy as the coverage A Limit for the home, or the "Dwelling."

Enter the Current Homeowners Insurance Policy Information

You will enter the Homeowners Coverage A Dwelling Limit, carrier name and policy effective year.

For Condo policies, you will enter the Coverage C amount.
